

CME Counterparty Firm Registration

Purpose of Submission

- Registered Firm will be available as a counterparty selection on deals for which a CME ClearPort account is required.
- Registered Firm will be available as an account owner in CME Account Manager.
- Registered Firm and/or associated traders will not be given access to CME systems (CME ClearPort/CME Direct) by completing this form. Access Registration details can be found at cmegroup.com/clearport/registration.html

Who Can Submit Registration Form?

- Trading Firms
- Clearing Firms on behalf of Trading Firms
- Broker Firms on behalf of Trading Firms

Step by Step Instructions

1) Complete the CME Counterparty Firm Registration Form

- Submitter is the registering party
- Trading firm is the registrant (counterparty)
- Multiple firms can be registered on a single form
 - Individual Trader Registration is not required.
 - Traders listed will be eligible for selection as a counterparty attribute on a brokered deal.

2) Registered Firm must contact their clearing member to request that a clearing account be added in CME Account Manager.

- Clearing Members should be provided with a list of products & corresponding position limits as well as a list of OTC brokers that can enter trades on their behalf.
