1. Methodology and Calculations

The Messaging Efficiency Program (MEP) criteria applies monthly for the Asian NDF 1M Currency pairs on EBS Market.¹ The program applies to Asian NDFs to support quote quality at Top of Book and replaces the prior QFR program.

To facilitate this, those breaching the MEP by having both:

- A TOB quote fill ratio (QFR) below a minimum threshold (in percent), and
- A median life at TOB below a minimum threshold (in milliseconds),

will be charged an excess quoting surcharge per quote (in USD) above a maximum allowable quote threshold.

[The calculation is as follows:](#)

The maximum allowable quote threshold (designated in the MEP) is the summation of:

- The maximum quote number (calculated by dividing the Good to Cancel order (GTC) deal volume by the MEP TOB QFR), and
- An extra defined quote “allowance”, which is applied for all counterparties to help account for monthly fluctuations or counterparties with low quote activity.

For example:

- A counterparty who breaches both MEP requirements and is 5,000 quotes above the maximum allowable quote threshold will be charged an excess quoting surcharge for those quotes
 - E.g. 5,000 X USD \$0.50 equals an excess quoting surcharge of USD \$2,500

¹ Offered by NEX SEF Limited for on-SEF/on-MTF FX NDFs on the NEX SEF MTF and BrokerTec Europe Limited for on-MTF/off-SEF FX NDFs on the EBS UK MTF.

3. Request for Waiver of Surcharges

A customer may submit a Request for Waiver (RFW) of a surcharge if the firm believes that there was a compelling justification for exceeding the applicable messaging threshold. Waiver requests for the MEP must be submitted between the first and 10th business day of the month following the month in which the MEP surcharge occurred. The EBS MEP Waiver Committee, made up of a cross functional group across relevant

CME teams to support a consistent review process, will carefully consider those requests and has sole discretion as to whether to grant any waivers.

Please email ebsmarketmepwaiver@cme.com detailing the reason why you exceeded the MEP, and we will subsequently notify you of EBS's decision.

4. Repeat breaches

If a customer was to repeatedly breach the MEP, it will be considered as a breach of the [EBS UK MTF Rulebook – General Terms](#) or the [NEX SEF Rulebook](#) (as applicable) and EBS may enforce the remedies available to it in those rules.
