1. Asian NDF Currency Pairs – Daily Rate

Monthly Volume Tiers \$bn	Time Zone 1 GMT 21:00 – 08:59		Time Zone 2 GMT 09:00 – 20:59	
	Make Price	Take Price	Make Price	Take Price
\$0 - \$1.0bn	\$ 7.50	\$ 12.00	\$ 17.00	\$ 24.50
\$1.0bn - \$3.0bn	\$ 6.50	\$ 10.00	\$ 14.75	\$ 22.50
\$3.0bn - \$5.0bn	\$ 5.50	\$ 9.00	\$ 12.25	\$ 19.00
\$5.0bn - \$10.0bn	\$ 5.00	\$ 7.50	\$ 10.00	\$ 15.00
\$10.0bn - \$20.0bn	\$ 4.50	\$ 7.00	\$ 9.00	\$ 13.25

- Time zones are calculated at the point of deal matching (based in GMT).
- This pricing schedule is non-retroactive.
- For each month, EBS shall calculate the aggregated size in US Dollars (the “Monthly Volume”) of the underlying sizes of transactions carried out by the Participant at all of its specified sites within the same legal entity whether as a Maker or a Taker.
- The total Monthly Volume is collated to calculate the Monthly Volume Tiers. The appropriate Make and Take price is applied to each deal code in the billing group on a pro rata basis.

For Example: if a deal code trades monthly volume of \$1.2bn of a total of \$3bn across the whole legal entity then the deal code will be apportioned 40% (\$1.2bn/\$3.0bn) of each volume tier. The Participant would be charged at \$7.50/\$12.00/\$17.00/\$24.50 on their proportion of the first tier (\$0.4bn of \$1.0bn) and then \$6.50/\$10.00/\$14.75/\$22.50 on the next tier (\$0.8bn of \$2.0bn).

BrokerTec Europe Limited (BEL), regulated in the UK by the Financial Conduct Authority (FCA), is under certain obligations when it holds client money as detailed in the FCA's Client Assets Sourcebook (CASS). For the avoidance of doubt, BEL does not hold client money. If the Participant transfers money to BEL (for example, by making an overpayment of fees and charges), it will not be treated as client money and in the event that BEL were to become insolvent, the Participant would have no special protection and the Participant would have to claim against its estate with any other creditors.

If the Participant makes a payment to BEL for use of the platform, the Participant agrees that the terms of any overpayment the Participant makes to BEL:

- will be treated as an intention by the Participant to purchase further services, the ownership of the money will transfer fully to BEL and BEL will hold that money as security for the Participant's payment for such further services; and
- will not be due and payable to the Participant until the Participant provides correct bank details for repayment of the overpaid amount. Once those details have been provided, BEL will repay that overpaid amount as soon as practicable
